Dear Parents/Carers,

We would like to inform you that free milk is available for all children under the age of five in school, which is funded by the UK government. In our school, this milk is provided by Cool Milk.

If you would like your child to receive free school milk, please inform us so we can register your child on your behalf by providing Cool Milk with your child's name and date of birth.

When your child turns five, you are able to pay a subsidised rate for your child to continue to receive milk. You would simply register with Cool Milk directly via their website (www.coolmilk.com) or obtain a registration form from the school office.

All information handled by Cool Milk is processed in accordance with current General Data Protection Regulation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly on **customerservices@coolmilk.com** or call 0844 854 2913.

Please return the slip below by **Friday 2ⁿᵈ July 2021 at the latest**. If permission is not given by this date, your child may not receive their milk in September.

Yours sincerely,

Mrs K Williams
