Can you sort these words? What do you notice about the 'oo' and the 'ew'?

Teach oo	ew
blew	soon
grew	balloon
	chew
	moon

See if you can apply it to these words

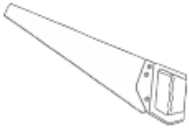

He ___ the snowball.

Try this one... remember not all of the words will have the 'ew' sound. See if you can find all the words that do.

Write the words and then colour the pictures with an 'ew' sound in them.
