Hello, Year 1! I hope you've had a lovely weekend! Let's start our week with some counting! Remember, you can use the hundred square to help you.

Can you count forwards from 77 to 92 in ones?

Can you count backwards from 43 to 29 in ones?

Challenge – Can you count backwards in tens from 100?

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

TBQ: Can I add?

I know
what
addition
means.

I know the
symbol for
addition.

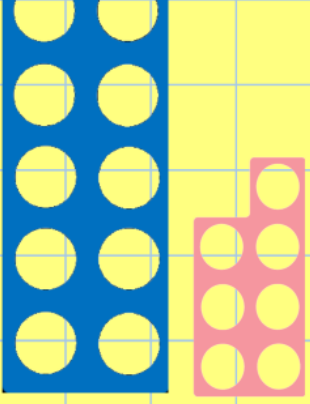

I know other
vocabulary
for
addition.

I can use a
concrete or
pictorial
method if I
need to.

SMART Notebook

What number is this? _____

Revisit

How many tens?
How many ones?

Talk to your grown-up about addition. What is it? What does it mean? How do you add numbers together?

I know what addition means.

I know the symbol for addition.

I know other vocabulary for addition.

+

What is it?

addition

- add
- more
- plus
- make
- sum
- total
- altogether

+

What does it mean?

Audio Recording

You can use counters or different objects to see how many you have in total.

I can use a concrete or pictorial method if I need to.

5 + 2 = 7

Model

Audio Recording

You can also draw dots and then count how many you have altogether.

<div style="border: 2px solid blue; padding: 5px; width: fit-content;"> <p>I can use a concrete or pictorial method if I need to.</p> </div>		$4 + 9 = 13$										Model					
																	

If you are able to complete the questions in your head, make sure that you use objects or dots to check your answers and prove to Rex that you are right.

Challenge 1: Can you add these numbers together?

$5 + 3 =$

$8 + 2 =$

$7 + 6 =$

$12 + 4 =$

$7 + 9 =$

$14 + 5 =$

Challenge 2: Can you add these numbers together?

$17 + 9 =$

$22 + 6 =$

$18 + 7 =$

$26 + 8 =$

$35 + 14 =$

$51 + 18 =$

Challenge 3: How many different ways can you make 12?**Mastery with Greater Depth**

Write a pair of numbers in the boxes to add to 12.

$$\square + \square = 12$$
