This week we have been learning and representing data through tally charts and pictograms.

Here is a fun pictogram game for you to play!

Task 1

<http://toytheater.com/fruit-fall/>

Task 2

Can you have a go at creating your very own tally chart or pictogram.
You can make up the data if you like.

You could include

- Favourite animals
- Favourite takeaways
- Favourite fruit
- Favourite sport
- Favourite football team

Or anything else you can think of!

Enjoy – we can't wait to see you data!
